

Practical Assessments for Licensed Drivers and Applicants

The following providers have been approved to carry out practical driving assessments for drivers applying for a Private Hire or Dual Private Hire and Hackney Carriage licence, or those upgrading from Private Hire to Dual.

Tests are booked directly with the provider, and any payment due is paid directly to the provider. You must use your own vehicle during the test. If you are taking the enhanced test or wheelchair upgrade, the vehicle must be wheelchair accessible.

Once you have made a booking online, you will be contacted by your nearest examiner and a mutually convenient date, time and meeting location will be agreed.
